My Dear Mr. Dukes.

Executive Registry

11-9390

It was very wonderful to see you on television Friday evening, and I am so grateful to know of the message which you gave out to the television audience.

You are so much like your brother, and you reflected the love which endeared him to the world.

As a student of Christian Science, I was led to write to your Brother at the "Walter Reed Medical Center" during that period of treatment. It was so very dear of him to send me two of his grateful cards. I shall always hold them in the most sacred sense of my consciousness on footsteps of truth. Line 12: quote whatever is governed by God, is never for an instant deprived of the light and might of intelligence and life which your Brother reflected continuously. Mr. Dukes gave the world something to bless, and sustain hope, and courage, for all time to come. I prayed to go and see him, but I knew that the divine mind is the soul of man, and gives man dominion over all things. His province is in spiritual states, in the higher law of mind.

The Christian Science Monitor in the May 25th edition gave us a great heritage to remember - and I loved the picture on the front page. My gratitude again to God for the Love that led us into a perfect order of thought under your Dear Brother's guidance.

If there is anything that I can do for you. Please let me know. It would be a blessed privilege.

Most Gratefully yours
Mrs Mary Myles
